

FOREHEAD LINES – can be eased and almost smoothed completely away

CROW'S FEET – can be softened or filled when they're really deep

CHEEKS – can be filled and curves gently reshaped

SMOKER'S LINES – can be filled and softly smoothed

SKIN – can be freshened

NOSE TO MOUTH LINES – can be filled for a positive look

LIPS – can be softly plumped

HANDS – backs plumped to reduce the look of veins

DÉCOLÉTTE – skin can be rejuvenated to smooth sun damage

“What could the new injectables do for you? Well, we’ve counted nine ways and that’s just for starters!”
