Make-up pro Gina Kane uses this foundation as a quick fix: "It's sheer and light and no powder is required. Mix with moisturiser for dewy skin".

BEST INEXPENSIVE FIRING/ANTI-CELLULITE CREAM

Good-bye Cellulite, £11.18, Nivea (available nationwide)

"This lightweight cream doesn't stick to your clothes, so it's easy to apply twice a day," says skincare expert Frances Furlong. Slather it over problem areas to boost lymphatic drainage.

BEST INEXPENSIVE BODY MOISTURISER

Rich Nourishing Body Moisturiser, £3.56, Nivea (available nationwide)

"This moisturiser is my secret weapon," says make-up expert Louise Constad, who uses it on her A-list clients. "There's not one star who hasn't commented on how nice it is. It smells incredible and sinks quickly into the skin."
