“

As a professional beauty therapist, looking good is important. After losing four stone in weight I found that my face looked somewhat gaunt, tired and dull. I was introduced to Frances in 2013 at De Ja Vu in Chingford. At my consultation I voiced my concerns and Frances devised a treatment plan accordingly which included volumising fillers, lip enhancement and muscle relaxing injections.

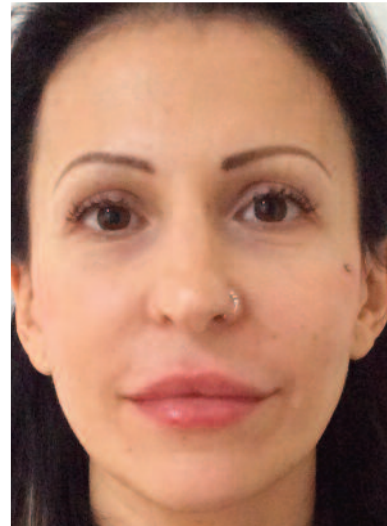

Looking healthy and natural is of the utmost importance to me and Frances has exceeded my expectations. I am absolutely thrilled with the results, thank you so much Frances for always making me feel and look great!
