

PERFECT SKIN

by Frances Furlong

Award winner Frances Furlong Rgn Bsc Hons Inp. offers a wide range of treatments for Men and Women

“ I was really excited when my fiancé and I decided to get married abroad, however the thought of being on holiday with lots of family and friends was making me feel concerned. I have always been a slim lady, gone to the gym regularly and tried to eat a balanced diet most of the time. So the fact that I have suffered from unsightly cellulite and localised fat above my knees has always been frustrating for me. It has stopped me wearing shorts, skirts and dresses as I have been self conscious. After being referred to Frances Furlong of Perfect Skin by a good friend, she has been able to transform my legs and has increased my confidence no end. I am now more than happy for my legs to be seen on the beach!
