TIRED EYES OR OPEN EYES?

Here at Perfect Skin we like to practice what we preach, that's why you will find all the staff as well as myself having the treatments we recommend. We believe in them. It also allows us to give you the best aftercare advice and to support you through your anti-ageing, skin rejuvenation and dermatological issues. Here is our clinical assistant Caren after her Plexr plasma eye rejuvenation procedure, she is delighted with the results call now to see if you would benefit from a consultation and proposed treatment plan.

For enquiries and information on treatments call Michelle **07508 404862** or email info@perfect-skin.co.uk www.perfect-skin.co.uk
